

### 5A Sage Crescent Woodville West SA

3 2 2

What defines a masterpiece home? Is it the showroom-level chic greets that you at every turn? The luxury surrounding you, from the elegance finishes to the three-metre high ceilings? The masterful, custom design that effortlessly guides you through the home? If yes, then 5A Sage Crescent is nothing short of a masterpiece. In fact, it could be the definition itself.

Sublimely beautiful street appeal incorporates lovingly-tended gardens, a wide driveway, a feature fence and the twin roller doors to the double garage. A 2.4-metre high feature front door leads you into this spectacular residence, where the high ceilings instil a feeling of spatial abundance that will impress all who enter.

That feeling stays with you through the meticulously designed home, as you encounter the bedroom area first.
