3 2 2

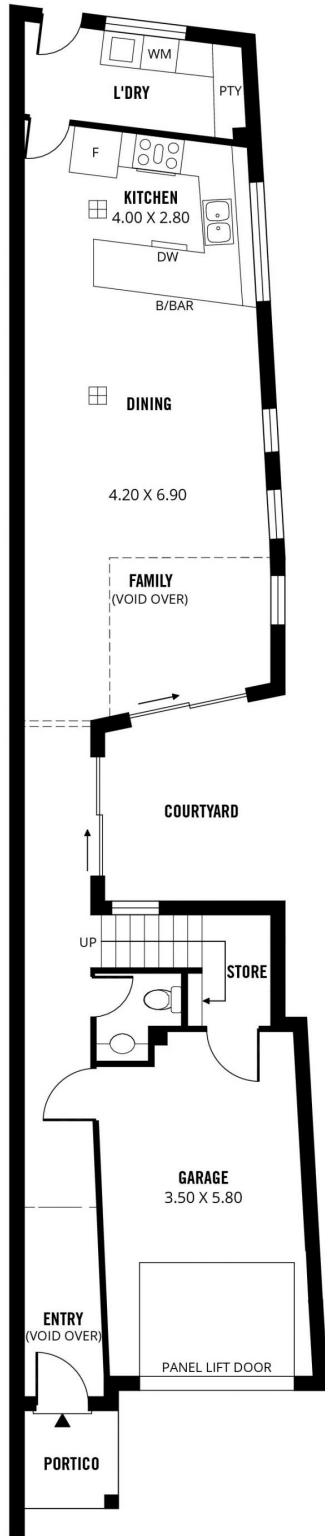

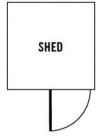

Forward thinking, intelligent architects have demonstrated an astute commitment to conscientious design with 6A, 6B, 6C Sycamore Terrace. A three-bedroom, two-bathroom, Torrens titled townhouse, it sublimely blends premium finishes, a generous floorplan and casual elegance to present a home that's remarkably ahead of its time. A Brand New home that will appeal to young, design-aware families, urban professionals or buyers looking to take advantage of the First Home Owner Grant (T&C apply).

These homes will force you to rethink your expectations of townhouse living. Clean lines and a clever interplay between brick, rendering and the large windows create masses of street appeal, heightened by the 2.4-metre timber entrance door. A single car-remote garage sits behind the luxury acrylic glass garage door and is complemented by a parking space on the driveway.
