1/36 Glenburnie Terrace Plympton SA

3 2 1

These 4 soon-to-be-commenced townhouses add a contemporary shine to a dynamic, popular and convenient part of Adelaide. They're the perfect step onto the real estate ladder for first home owners, who could be eligible for a massive $40,000 combined FHOG and Homebuilder grant (T & Cs apply). But thanks to their immaculate presentation and rich list of features and finishes, investor, young families and downsizers are already sitting up and taking notice.

What's on Offer
The 4 homes are built on free-flowing, expansive floor plans that create a wonderful feeling of spatial excess. Spread over two levels, the lower level is dedicated to open-plan living. Here the gourmet kitchen sits astride the living and dining areas, beautifully bathed in natural light. Sliding glass doors lead out to covered outdoor
