

7/5 Church Street Highgate SA

3 1 1

On occasion an unrepeatable property comes onto the market. A home so unbelievably unique and exclusive, it's hard to imagine another like it. This extraordinary unit is exactly that - an exceptional home in a highly sought-after area.

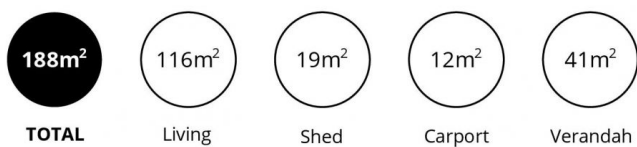

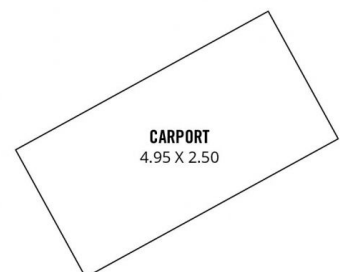

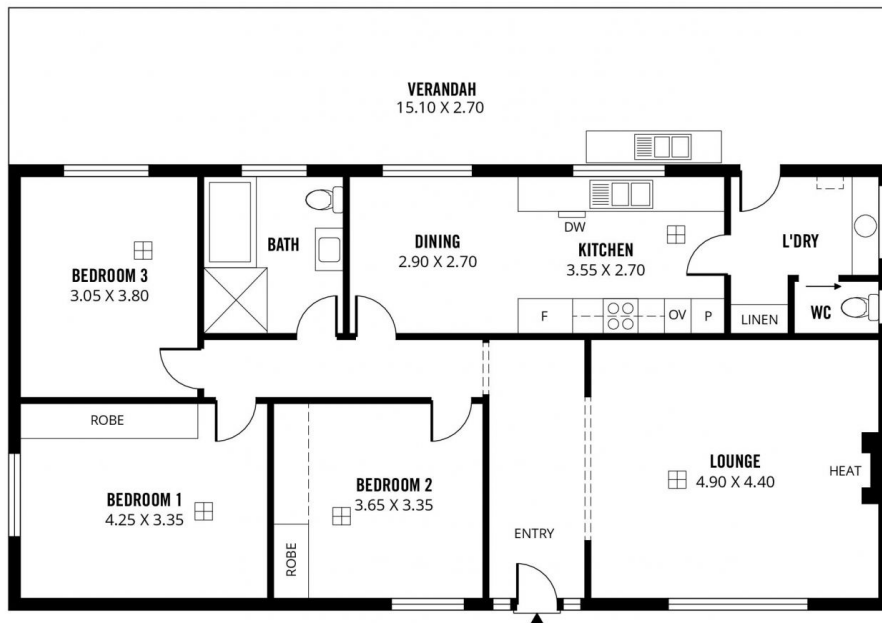

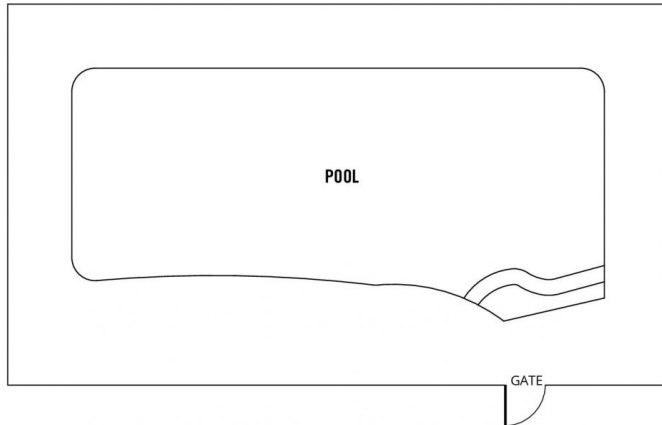

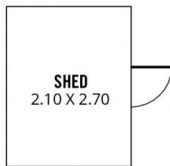

In a private position at the rear of a group of units, this unit is situated on approximately 700sqm of land. Flat land with established gardens for the kids to roam and play, and a large, crystal clear swimming pool, private and exclusive to this unit.

Indoors there is a fresh, crisp feel thanks to the recent refurbishment. An expansive lounge centred round an inbuilt gas heater is a comfortable retreat, while the modern kitchen with adjacent dining will delight chefs and entertainers.
