

### 238A Days Road Ferryden Park SA

3 1 3

There are some things in life that we all need. We want homes that impress our family and friends, we want to live close to all modern conveniences, we want to be comfortable. And yes, some of us would love to live opposite a golf course! Very rarely does a home come onto the market that ticks so many boxes for so many people, but this is one of those homes.

Consciously designed for a low-maintenance lifestyle, this stunning property has been recently refurbished and freshly painted. There are 3 bedrooms and a study/4th bedroom in the home, all with split-system air-conditioning, and all rooms with security roller shutter. They're serviced by a sparkling 2-way bathroom with separate bathtub and shower, a vanity and wall-to-wall tiling. An internal laundry is also a nice convenient touch.
