The three bedrooms are afforded the same welcoming feel of the oak flooring, and two of them come with built-in-robos. The third is the expansive master, which has its own walk-in-robe as well as a shiny, tiled ensuite with shower and vanity. The main bathroom is similarly well-appointed yet has its own bathtub and separate shower.

the living is spacious enough to accommodate different functions, such as a TV area and a piano. Sliding glass doors lead out to the paved, low maintenance back yard.
