Beautifully located townhouses offering the perfect mix of casual elegance, a minimal ethos and more than a touch of luxury are hard to find. They tick a lot of boxes for first home buyers, investors and young families taking their first steps on the real estate ladder.

Each one brings to the table evidence of conscientious design, with thoughtful floor plans maximising space and creating an immediate impression of style. These are homes that are as good to be in as they are to look at.

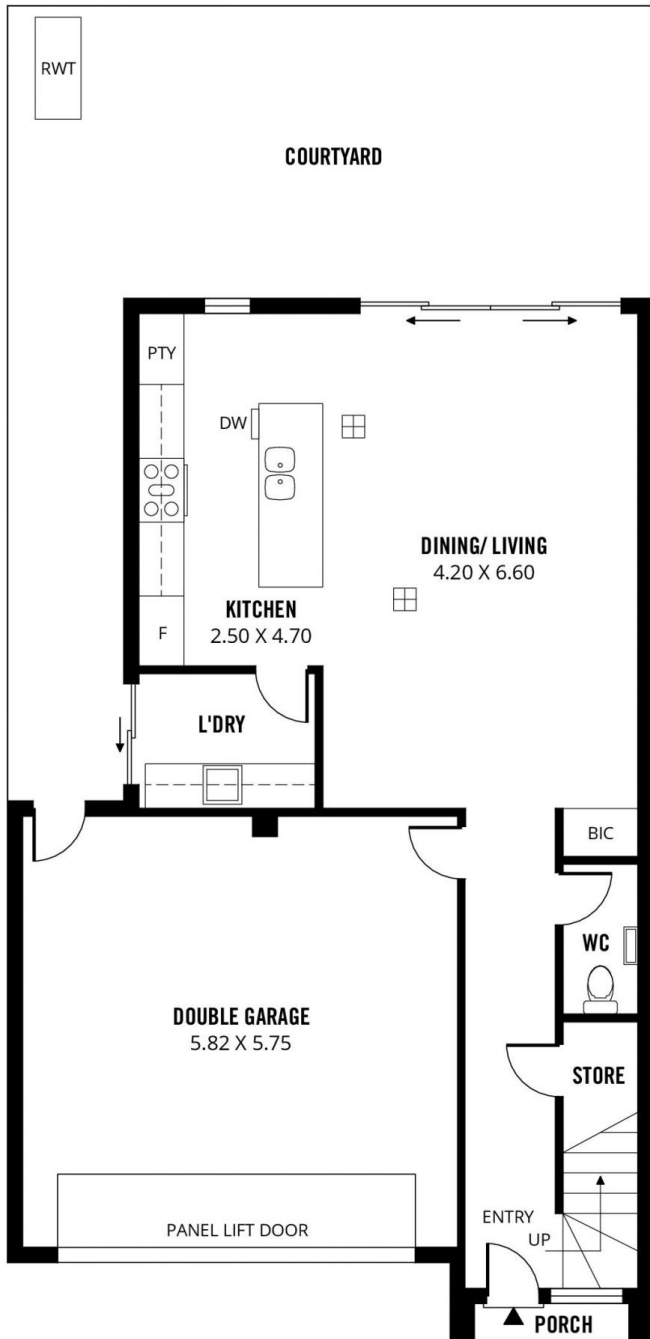

Here's a breakdown of the size of each townhouse:  
52: 3 bedrooms + 1 study | 2.5 bathrooms | Single garage
