

5A Jackson Street Plympton Park SA

3 2 1

Three bedrooms. Lush carpets in the bedrooms are complemented by built-in-robos in two of them, plus a walk-in-robe and stunning ensuite to the master.

The main bathroom has a shower with semi-frameless screen, a standalone bathtub, full premium tiling, quality tapware and a separate powder area and toilet. There's a decent sized laundry too, offering ample storage.

Multiple living areas include a separate lounge, perfect for media viewing, and the standout space in the home, the open-plan kitchen, family and dining area.

The spatial abundance here is amplified by the 2.7-metre high ceilings and bucket loads of natural light, while the timber floors, stone benchtops and crisp neutral tones ensure next-level aesthetics.
